You will recall that we recently used District 5340 matching funds to make a \$500 gift to [Community Resource Center](#) for Covid-19 relief.

Hello,

I am reaching out today of behalf of Community Resource Center. As a volunteer and board member, I wanted to send a big thank you for your support of CRC. Our recent fund raising efforts, in particular our "Community Care" drive and our English Tea (which became a "Virtual" English Tea), have made a huge difference in how we are able to assist those in need, particularly during this time of additional need.

So, please accept this thank you from all of the members at CRC.

We hope you and everyone associated with the Torrey Pines Rotary organization and your families are doing well and staying healthy during this interesting time.

Sincerely,

Mary R. Murphy
