

The Rotary Club of San Diego South Bay set aside \$250.00 and secured a \$250.00 COVID-19 Matching Grant from District 5340 to Provide Rice, Canned Goods, and Necessary Supplies to Indigents of Meycauayan City affected by the Total Lockdown in the area. In partnership with their sister club, the RC of Meycauayan East of District 3770 in the Philippines, the goods were distributed last April 16 and 17, 2020 to over 100 families. The recipients were mostly No Work No Pay workers who had no means of bringing food on the table for their families. They were each given sustenance to last at least one week. Club President Ramon Santos and PP James Javier are shown with club members during the distribution.
