Dear Don,

Thank you for your generous gift of \$5,000.00, dated 4/9/2020 to Interfaith Community Services. Our community is grateful to you for thinking of our neighbors in need during these trying times. You are helping save lives today and ensuring we are prepared for what will come in the days ahead. Your gift will be directed towards the Supportive Services - Food and Basic Needs Fund as requested.

“As the economic toll of COVID-19 sets in, we’re already seeing a lot of people we’ve never seen before who are accessing services they’ve never needed before,” says Greg Anglea, adding that Manny and his family are among them.

Prior to the current crisis, Manny, his wife and their young daughter were already struggling with bills but were able to make ends meet. When the state’s stay-at-home order was issued, Manny – the family’s sole provider – was laid off from his job and without work for the first time in his life. They turned to Interfaith for assistance; they came away with groceries, various hygiene supplies, help applying for unemployment, but most importantly, they left with a glimmer of hope knowing that their community is there to help.

Thank you for stepping up during this difficult time to help Interfaith in assisting families like Manny’s. It is special people like you who make our important work possible.

Sincerely,

Chelsea Buck-Leilich
