different _____

Please describe how the COVID 19 Pandemic impacted your business and include supporting documentation. This project is meant to support your business in a manner not supported by government loans and grants included in the CARES Act. Projects can include interior or exterior improvement, direct to client/prospect marketing and improvement for supporting equipment or supplies such as updated menus, kitchen equipment, etc. If you have an idea that falls within these guidelines, please list below.

Please attach bids, vendor quotes or provider estimates for application completion. These bids have to be for work to be done in the future from June 30, 2020 thru July 1, 2021. It cannot be for work done in the past. Funds will be paid directly to the vendor from the Rotary Club of Evergreen. For taxability, please see your tax advisor.

Please call with any questions. Mary McClarty 406-253-5635. Thank you for choosing to do business in Evergreen!
