Dear Rotarians,

Thank you very much for your generous donation of \$1,000.00 (check # 1308 dated April 28th, 2020). We want you to know how much we appreciate your generous help.

We are in the Austin area, on the west side of Chicago, which is affected by high poverty and violence. Many Feeding Programs have closed their doors during the pandemic, we also had to close our Soup Kitchen temporarily, but our Food Pantry remains open, aware that our work for the poor is essential and literally saves lives. We serve hundreds of families each week and give away thousand pounds of food. We see new people every week. It goes without saying that we take a thousand precautions, and use the utmost care.

All of our people receive a large amount of nutritious food (milk, meat, eggs, canned goods, pasta/rice, natural juice and more). It enables numerous families and individuals, needy elderly people and homeless living in shelters, to live on for several days, until our next weekly distribution; we are known as the main Soup Kitchen and Food Pantry in the area.

Thus, the Rotary Club of Chicago O'Hare, allows us to keep up with this so important work, and we thank you for it.

The IRS requires a receipt for any donation of \$250.00 or over, if you wish to claim it as a deduction; no goods or services were provided by Fraternite Notre Dame, Inc., in consideration, in whole or in part, for this contribution. This donation is therefore 100% deductible.

Through your support, we shall be able to further our charitable actions. May the Good Lord keep you in His love and reward you in His own way.

Sincerely yours,

*Sister Marie-Valerie*
