District Grant Final Report

Rotary Club of Avalon

2020-2021

Project Description:

- 1) With our school being located on an Island getting supplies to the island for teachers and students can be challenging. With COVID-19 among us we would like to make sure the teachers and students have all the required material they might need at school or at home. We are not sure of the school schedule next year, we are wanting to make to make sure that all students and teachers have the supplies they will need. We want to make sure no students has this issue next school year. All teachers and students from Avalon K-12 will be served from this project.
- 2) The project was for school year 2020-2021 (September 2020 – June 2021)
- 3) Club members met with the school principal and the Dean of Students. They advised us that what the kids needed was head phones. It was very hard for the kids to hear the teachers with all the background noise around them. The noise was either from being by other family members during school, bad head phones and street noise around them. Once the students all recieved new head sets the teachers said the students paid attention a lot more and stayed focused better in school. Some of the Rotary Club Members helped hand out the head phones with a drive by pick up supplies at the school.
- 4) The Rotary Club wrote a letter for the newspaper letting the community know what they did to help the school with its needs this year due to COVID-19.
