Re: KIDS KINGDOM DISTRICT GRANT
Letter of Explanation

Dear District 5340 Grant Committee:

Included in the documents for Grant No. P-3467 is a letter from Kids Kingdom itemizing all donations from the Rancho Santa Fe Rotary Foundation for 2020. Listed among them is our grant amount of \$3500 and the Rotary International matching grant for \$3500. When we originally applied for the grant, we pledged \$8000 and were going to raise the additional \$1000 from our members. However, one of our members was able to secure an additional \$5000 donation to help complete the kitchen remodel and also allow for renovation of the dining room. Therefore, the amount granted directly from Rotary totaled \$7000, not \$8000. I reached out to Marta earlier in the process and explained this difference. By this letter, I wanted to note it in the final accounting for this project.

Kids Kingdom is so happy and with their new kitchen (and dining room.) It is now a safe, healthy beautiful place for them to enjoy. Thank you so much for your assistance in this.

Regards,

Judy Rowles
