Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for **P-3502**)
2. Name of District Grant **\_Medical Needs Assistance\_**
3. Briefly describe the grant and list any changes that might have occurred (100 words or less. **Our goal was to provide financial medical assistance to limited English speaking families in our community. We believe second language families put off their medical needs due to lack of finance. Kearney has a HelpCare Clinic designed for those uninsured. We are giving financial support of \$744 to be used at the HelpCare Clinic for supplies to continue their free services for those who qualify. Our migrant public school contact will help make English Second Language families aware of their services. The other \$475 will be used through the Kearney Public School (KPS) Foundation as needed. To date \$130 has been given for transportation to medical appointments. There will be \$345 remaining at the KPS Foundation of which an estimate of \$150 will be used towards dental expenses for an individual.**
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: **COVID-19 impacted the timing of our planned support as the CARES ACT helped many of our English Second Language families during the year 2020. As that funding is diminished, our support will be needed again. Therefore, our support will still be utilized as needs are made aware.**
