Becky,

I have some revised numbers for you regarding the monetary support the Rotary District Grant will be contributing to your clinic.

We will have two checks for you:

One for \$500 from the Kearney Public School Foundation and
One for \$244 from the Kearney Noon Rotary Club.

The total grant to your clinic will be \$744 and you **do not need** to send an invoice for this. We understand the \$744 will go towards supplies as needed for your clinic.

Dulce Valdez is the migrant education coordinator for the Kearney Public Schools District. Carol Renner from our Kearney Noon Rotary Club will touch base with Dulce to support her in helping the English Second Language families become aware of your clinic's services and to help coordinate appointments if appropriate.

Carol may also touch base with you from time to time to see if any additional coordination is needed to help our ESL families get medical services as needed.

Thank you Becky for what you and the HelpCare Clinic does for our community.

Sincerely,

Tammy Jackson
Kearney Noon Rotary Club Foundation Chair

Hi Tammy and team!

I have received your emails today – I'm sorry this is the first I'm getting back to you.

We are so appreciative of your support with this project. We do have an estimated \$50 per patient visit cost – so we can certainly allocate these funds to fifteen visits for Spanish-speaking patients. That's kind of an aggregate based on supplies used, staff time, etc. It would be a super simple process for us to report back when that threshold has been met if needed (I'd guess in a matter of weeks 😊). I can also put together any demographics you need for reporting (age, gender, etc.) if needed.

Let me know what you'd like as far as reporting. Otherwise I will watch for the checks to come through and ensure they are restricted as we have discussed!

Again, we so appreciate this support and will ensure our Spanish-speaking patients receive the care they need! I think Dulce has my contact information so if I can help with the Migrant Education Program in anyway, let me know.

Thank you!

Becky,

That all sounds great!

Sorry for so many emails, but we are all on the same page now. 😊

If you can report back with whatever information you have when the funds have been used, I think that would be really interesting to us.

Thank you all!

Tammy Jackson

Becky,

I am mailing the check from the Kearney Noon Rotary Club for \$244 to your clinic.

I believe the check for \$500 from the Kearney Public School Foundation will also be mailed to your clinic directly.

Please let me know when you have received both checks.

Thank you so much,

Tammy Jackson

Hi Tammy!

Thank you so much. I received the check from the KPS foundation yesterday. I'll watch for it's counterpart from Rotary coming next week.

Hello!

Yes I did. I just got the checks processed this afternoon, and had you on my list to follow up with. Both have been received, and we are on our way to spending the funds on our Spanish-speaking patients. Please let me know what else you need – thank you!

Thank you Becky - awesome.

As you have the information and the time, it would be interesting to our club to see how many were helped or whatever statistics you keep.

Thank you for all you do,

Tammy Jackson
