

La Ceiba, Atlántida, Honduras July 17, 2020

La Mesa Sunrise Rotary Club.
Attention: Manuela Bump-Murillo.

Dear members of the La Mesa Sunrise Rotary Club, receive a cordial greeting from the the members of the Rotary Club of La Ceiba, District 4250, Honduras. Our Club is located in the city of La Ceiba, Atlantida, Honduras, chartered the 7th of may of 1946, 74 years helping our community and at the moment has 10 members.

The present letter is to inform you about the present situation going on in our city of La Ceiba, due to COVID-19 and the problems we are facing in the local hospital for attending Covid-19 patients.

Name of the project: Medical Supplies for COVID-19 public hospital Atlantida, La Ceiba, Honduras. (Ayuda médica para el Hospital publico COVID-19 Atlántida, La Ceiba, Honduras).

Name of the Hospital: Hospital Atlantida.

Location: La Ceiba, Atlantida, Honduras.

Number of patients: The Hospital has 2 areas for COVID-19 patients, one is an intermediate area with 30 beds and the other is an intensive care area with 20 beds, both are always between 80% and 100% its capacity.

Health Workers: The Hospital Atlantida has 125 health workers, 45 of these have been infected with COVID-19.

We want to emphasize that with this project we are helping to save lives of the essential health workers at the hospital and the general public that assist seeking for attention.

The public hospital Atlantida, is a reference hospital, it attends patients from 4 departments of the country, this includes Atlantida, Colon, Islas de la Bahia and Gracias a Dios, which have reported 1,972 cases of COVID-19, 1261 just in the department of Atlantida and directly attended by the public Hospital Atlantida. These are official numbers, but the number of cases is higher, due to the response of testing has a 2 to 3 week lag approximately.

At this moment we have in the country a total of 30,867 confirmed COVID-19 cases, and 7000 test taken yet to be determined if they are positive for COVID-19.

The total of the project ascends to approximately \$10,000.00. We are attaching to this letter a number of priority necessities in the hospital, we also add the need of 4 Non-Invasive Ventilation Helmets / CPAP, which cost ascends to approximately \$5000.00 but we have not yet a document from a vendor with the official price because it has been promised to us until tomorrow.

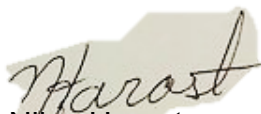

Our hospital capacities is about past, we are urged to help the medical workers in any way possible to secure their health so they can to continue giving service to the patients of these 4 departments of our country, the number of cases grows higher every day, we are not yet even close to begin to flatten the curve.

We sincerely thank you, there are no words to express the real necessity of this project,

Yours in Rotary,
