

March 11, 2022

Dear Henry and members of the Pleasantville Rotary Club,

The contribution you've made to our community is incredible. Thank you for helping us nourish our neighbors here in Westchester. Attached, you'll find a receipt which includes yams which we were able to purchase in large part thanks to your support.

Those most impacted by the pandemic are facing greater and greater obstacles as the year goes by. Recently, the loss of federal Child Tax Credit payments has been a devastating blow to families across the county. And inflation rates are impacting both families and seniors here in Westchester County—many are left wondering how they will make ends meet.

We are so grateful for your \$4,000 donation to support our community members. Your gift has made an impact in helping to provide nourishment and hope for so many lives.

Someone — a mother, a brother, a grandparent — is deeply grateful you were there for them.

Together we feed for a better tomorrow. Together we are Feeding Westchester.

Sincerely,

Kaitlin Chieco
Senior Director, Corporate Foundation
Feeding Westchester
