Sue Quinn

Dear Sue Quinn,

Thank you for your generous donation of music kits to A House in Austin! Your contribution will have a great impact on the children and families enrolled in our programs this Christmas season.

Early childhood experiences have a lifelong impact on an individual. Because of your support, we are able to provide children in Austin with high-quality, early learning experiences. Healthy parents raise healthy children, so our holistic, two-generational approach to programming supports parents for stronger families and brighter futures.

The new parent-child center at 533 N Pine is a refuge, a place of support, learning, and love for the families with whom we work. For their children, this is a place of joy, exploration, and learning through music, art, and play.

Mother Teresa said, "I alone cannot change the world, but I can cast a stone across the waters to create many ripples." Your generous donation is a large stone that supports our mission and creates many ripples.

We are humbled to have your support and we are proud to know you believe in A House in Austin and its mission. Thank you!

Sincerely,

Lynette Kelly-Bell
