

Title: Ugandan toilet construction

Application answers:

- a. Other Rotary clubs involved- Source of the Nile Rotary Club
- b. These funds will be used to construct a toilet building and toilet at the Lynette Shaw-Smith Education Center in Jinja, Uganda. The village's school needs toilets for students and a teacher. Currently they are using buckets. The Community has come together to build the school, pay the teacher and ask for donations (from Tempe Downtown Rotary and others) to provide school supplies for children. 54 families in the community and their children will benefit from the toilet construction at the school. Club participation in Tempe Downtown includes continuing to collect school supplies and coordinate with the Source of the Nile Rotary Club.
- c. Non-financial Rotary contribution includes assisting to construct the toilet building, as needed, as well as oversee the project on the ground (as possible, due to COVID.)
- d. Publication will include a press release and Rotary banners/logos.
- e. None
- f. 1st grant funding priority for Tempe Downtown Rotary club
