

Community Centre Rebuild

Club Rotario de Agua Prieta

COMMUNITY CENTRE

The **Manitas de Amor** foundation is a Community Centre that provides support and breakfast for kids on our city

These children live in precarious conditions and with a lack of resources for their daily nutrition

CURRENT CONDITIONS

The community Centre needs resources to provide a better place for the kids. Currently it has no brick fences, and the ceiling structure is old and not properly setup.

OBJECTIVE

- Adjust the community Centre in order to provide a safer environment for the people on it
- Protect them from weather issues
- Consolidate the Centre into a place that all our kids feel welcomed and appreciated.
- Our Club has supported this Centre for many years, with support from International clubs as well

INVESTMENT

- Materials and labor require 5,000 USD to build new brick fences, repair current facilities and build a new ceiling structure

Thank you!
