

Project Description

Country: USA

Location: Sioux Falls, SD

Total Budget: \$2,000

Area of Focus: Maternal and child health

Activity Type: Community Development: Volunteer Services

Summary: We would use the grant/match dollars to purchase and deliver their items/needs to their building. We can also help at their holiday gift-wrapping fundraising event.

Children's Inn provides free and confidential services to women, children, and men who are victims of domestic violence, stalking, elder abuse, sexual assault, child abuse or neglect. Children's Inn service area includes the South Dakota counties of Minnehaha, Lincoln, McCook, Turner and Union.

Many times clients come to our doors with little to no belongings, so we also work to provide basic needs for those we serve, in addition to safety and support. Adults and children are provided with food, clothing, and personal care items. Case managers also work with clients to ensure all needs (physical, emotional, medical) are being met.

This will be more of a "short term" project, with a focus on the fall/holiday timeframe of 2021.
