## Save The Family January Air Mattress order and net cost

1 message

Wayne Rish <nwrish@gmail.com>

Sat, Feb 3, 2024 at 2:58 PM

To: Cheryl Gollon <cherylgollon@gmail.com>

Cc: Arthur Ammon <arthurammon@gmail.com>

Hello Cheryl,

1. Save The Family January Air Mattress order and net cost

10 Queen air mattresses + 10 Twin Air mattresses

Amazon invoice attached. Total cost from Amazon including tax, adding back in the \$50 gift card they deducted:  
(1140.25 + 50.25= \$1192.50)

Deduct 5% cash back I will receive from Chase on \$1101.80 = \$55.09

Reimbursement to me: \$1192.50- \$55.09 = \$1137.41

2. Would you please total all costs so far for the Save The Family Matching Grant Project and tell us what is left to be spent to finalize the project? STF plans to place the final order around March 1 for the balance.

Thank you,

Wayne

banner -- if you and I help them step forward.

The Leadership Institute is the only national organization that recruits and develops leaders and has them start groups for other organizations.

These conservative campus groups include local chapters of national organizations like Young Americans for Liberty, Students for Life, Network of Enlightened Women, Turning Point USA, and many more. Many of these national groups count on the Leadership Institute to help create their new local clubs.

I aim to build a movement, not an empire.

Campus groups are where future conservative **Leaders for America** are born. So the more active and successful these groups become, the better.

You help my LI campus team closely mentor the conservative student leaders of these groups -- helping them overcome the roadblocks that leftists place at every turn.

**Leading a conservative campus group deep in "enemy territory" is quite a life-changing experience.**

- You help LI-trained student leaders learn how to host speaking events for high-profile conservatives like Riley Gaines, Matt Walsh, and Kayleigh McEnany, and draw crowds of young students to hear -- possibly for the first time -- the truth about the left's lies.
- You help them lead campus campaigns against unfair policies that target conservatives and suppress free speech.
- And you help them recruit more conservative students and increase their groups' activism on campus.

These are all valuable skills for a conservative youngster. As you might imagine, they very much apply in life beyond campus. Especially when it comes to political campaigns.

When you consider all that's on the line in next year's elections, it's crucial to recruit and train as many young conservative leaders as possible in the fight -- right now -- to save America.

Leftists think they have an iron grip on the younger generation. They brainwash armies of college students to do their bidding -- on campus, on the campaign trail, and beyond.

If you and I do nothing, the rising generation will be forever lost to the left.

**Jen Donnelly** <JDonnelly@rmhccnaz.org>

to me

Hi Wayne!

It's Jen Donnelly, former STF Volunteer Coordinator and now Ronald McDonald House Charities Central and Northern Arizona Volunteer Manager. 😊 I hope all is well with you, and hopefully you've been busy traveling this summer!

I am emailing you with the hope that you might want to share some volunteer opportunities with the Fountain Hills Rotary Club. We have a Ronald McDonald House located in Mesa on the Banner Desert Campus, and we are currently looking for volunteer groups to cook dinner Sun. – Thurs. or prepare brunch on Saturday mornings. I have attached the flyers for both opportunities and posted the sign-up link below if the group would like to check availability.

Dinner sign-up link: <https://takethemameal.com/meals.php?t=OWJT7587>

Brunch sign-up link: <https://takethemameal.com/KVZQ9431>

Please don't hesitate to reach out to me if there is anything I can help answer for you. 😊

Warmly,

**Jen Donnelly**
