Rotary Club: Rotary Club of Signal Hill  
Project Title: Bob Long Memorial Mutt Run

Progress Report       Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?  
People ran and walked with dogs along the Long Beach beach path to raise money for the Long Beach Animal Care Services. We also helped adopt dogs with LBACS and K9Kismet.
- How many Rotarians participated in the project?  
Ten Rotarians out of the 12 total club members participated in the event.
- What did they do? Please give at least two examples.  
Jose worked with the race director to set up the course. Kiran worked with the volunteer coordinator to direct the high school students. Frank worked with me to set up the starting line banners. Everyone helped with clean up.
- How many non-Rotarians benefited from this project?  
Two dogs were adopted at the event, and we raised \$3,784.87 for the Long Beach Animal Care Services.
- What are the expected long-term community impacts of the project?  
We not only raised money for the animal shelter, we also raised awareness of the need of the shelter for more material and monetary donations as well as volunteers to work with dogs. The shelter is currently over capacity.
- If a cooperating organization was involved, what was its role?  
There were nine vendors that provided coffee for the participants, treats for the dogs, and gift baskets for the winners of the race.
