

**District Grant Report**

Rotary Club: Elmhurst

Project Title: Educational Scholarship

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?  
The project awards a \$4,000 Service Above Self scholarship to a graduating senior from one of Elmhurst's high schools. The scholarship is renewable annually for three more years, provided the student maintains acceptable grades throughout the four-year period.
2. How many Rotarians participated in the project?  
Five Rotarians participated in this project.
3. What did they do?  
The club's scholarship committee established the scholarship application guidelines and form, made it available to schools, publicized the scholarship, and selected the recipient. It further reviewed the annual academic progress of the second, third, and fourth-year students.
4. How many non-Rotarians benefited from this project?  
Three non-Rotarians benefitted from this project.
5. What are the expected long-term community impacts of the project?  
Some of the community's brightest students who otherwise would be unable to afford a college education will be able to do so. Prospective recipients must have exhibited the intent of Rotary's Service Above Self motto to qualify, thereby instilling good work in the community and publicizing the work of our club and Rotary International.
6. If a cooperating organization was involved, what was its role?  
No cooperating organization was involved.
