3. Briefly describe the grant and list any changes that might have occurred (100 words or less.

The grant focused on the beautification of the new picnic and park area of the Custer County Fairgrounds. We focused on integrating the new playground into Rotary's existing Pollinator Garden. Through conversations with the Custer County Ag Society – they expressed their wish for the area to be 'Spruced' up to make it more attractive to visitors. We did that through the addition of mulch, new plants, and much manual labor.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: The partnership developed with the Ag Society is nice – they were grateful we stepped in to take care of something 'on their bucket list' The playground area is much used as the fairgrounds are used year-round.
