

# THANK YOU!

FROM: Religious Franciscan Sisters of Saint Anthony

DATE: April 30, 2024

TO: Rotary Club of Sweetwater, San Diego

Greetings of peace!

We extend our warmth appreciation and gratitude to your club, for your generosity for donating to us an amount of 1,000 USD, (55,870 PHP), received by our Sister Jelanie P. Gonzales on March 09 2024. This money helped us, repair the fishponds for future benefits of our feeding program and mission and has reached out many of our poor families, especially the old, children and youth in these hard times that they are experiencing due to the season and weather. We are grateful for you untiring and unwavering support for the basic needs of our people.

Our Congregation is truly blessed for your trust, charity and financial assistance, for our mission to take care the corporal and spiritual needs of our poor brothers and sisters.

We are praying for you, your families and your work. May God bless you a hundredfold in return. Once again thank you!
