Susan Shaw
President, HEB Rotary

Dear Susan and the HEB Rotary Club:

Northeast Emergency Distribution has been serving the 17 zip codes of NE Tarrant County for over 40 years. One of the valuable services we provide is transportation vouchers for folks to get to and from work, job interviews or medical appointments. We provide these via our annual contribution to Catholic Charities. They, in turn, provide all of the vouchers we need for a year. NEED provided transportation vouchers valued by Catholic Charities at \$39,800. NEED paid \$2,000 for these vouchers thanks to the generous contribution from HEB Rotary.

In addition, NEED picks up food to give to families in crisis. Last year we provided over \$2.1 million in food alone to over 6 thousand families in the area. Most of that was picked up via the truck we were able to purchase for \$5,000. B

Thank you very much for your gift of \$2,686 to NEED to help pay for transportation and food pickup for the needy in the area. Rotary's partnership with NEED is an example of many hands doing very good work together.

God bless you and thank you again.

Sincerely,

Bob Sarpalius
NEED Treasurer
