District Grant # (from matchinggrants.org) P-5024

Rotary Club: Estes Valley Sunrise Rotary Club

Project Title: Encourage Student Attendance

Project Description: Paint for Junior & Senior parking stall project to motivate school attendance while instilling teamwork, pride and self-esteem in Estes Park, Colorado

1. Is this a scholarship governor's grant report? Yes No (If yes, go directly to line 16)
2. Briefly describe the project. What was done and where did the project activities take place? Explain how the beneficiaries and other community members were involved.

There has been very high absenteeism among junior and senior high school students in Estes Park. To motivate students to attend school, Estes Valley Sunrise Rotary helped local high school junior and senior students with paint for their own parking stalls.

This allows students to express themselves while also building Teamwork, Pride and Self-esteem and a sense of worth within the Student. Having the freedom and creative liberty to your very own parking stalls is one thing that seems to always pump-up students, even if they would not necessarily consider themselves an artist.

This project go along with Rotary's Basic Education and literacy area of focus (ie: Encouraging kids to stay in school).

3. How many Rotarians participated in this project? 3

4. What did they do? Please give at least two examples.

Rotarians actively participated in this event by acting as Mentors to those Students involved in this event. They used the Four Way Test as an example.

Rotarians also managed the supplies that were used in this event and that assisted the Student's in meeting their goals.

5. How many non-Rotarians benefited from this project? 40

6. Who are the beneficiaries and what is the expected long-term community impact of this project?

The project was designed to instill Self-esteem, Teamwork and Confidence for 11th and 12th graders.

7. If a cooperating organization was involved, what was their role?

Rotarians worked with School Counselors, Rotarians and Student Sponsors to meet the goals of the project.
