Dale,

We have looked back through all of our records to date and only have contributions from three Arizona Rotary Clubs as listed below.

- Rotary Club of Gilbert = \$3,750.00 – 11/5/24
- Rotary Club of Kingman Route 66 Rotary Foundation = \$500.00 – 11/13/24
- Scottsdale Sunrise = \$8,872.50 – 11/6/24 and 1/16/25

We have received confirmation from Phoenix Rotary Club in the past week that they are sending funds, but have not yet received. Do you have a listing of the clubs that you expect to be providing donations? I want to make sure we verify everything we are looking for before we get the updated letter. Any clues you can provide will help us out.

Let me know of any questions.

Hi Lee,

I know that you were in meetings last week but I wanted to follow up on the District 5495 total letter. We have our Governor agreeing that one letter will suffice for all the club donations as we matched club funds donated 2:1. Please send a single letter on Club letterhead and we won't have to bother you a half dozen times.

Steve and Dale,

We received a transfer on Thursday (1/16) for \$6,250 from Rotary Club of Scottsdale Sunrise. We thank you for providing an additional donation to our club. We have raised nearly \$360,000 so far from nearly all corners of the United States and several foreign countries. We are grateful for the many Rotarians, Rotary Clubs, and friends of Rotary that are supporting our region. Funds have been used to provide essential disaster relief, such as food, heaters, and grants to local non-profits supporting storm recovery. Your contribution is making a meaningful difference in the recovery of Western North Carolina!

Thanks again!
