

The "Microloan For Mothers" Process

1. Interviews are conducted, and five mothers are selected for the program.

2. Three meetings are conducted culminating in the issue of \$100 to each of the five mothers.

3. Businesses begin. Mothers meet weekly at the school for business training and coaching.

4. Each month, Kim Dany, assistant staff for M4M program, visits each mother to receive an update on the their business. Ms. Kim then constructs a progress report on each business for submission to Class-ACT.
