2. Name of District Grant: Cambodia Microcredit Project
3. Briefly describe the grant and progress to date:
Through the "Microloans For Mothers" program, mothers in Cambodia significantly improve their quality of life (and that of their families) through obtaining a small loan, with which they can start a simple business. Loans of \$100, \$150 or \$200 are issued and paid back, with interest, over a 6-month period. The objective is to issue 65 microloans over a period of 18 months. There would be three 6-month loan cycles from July, 2011 through December 2012. With the conclusion of the second loan cycle (July 2012), the obligations associated with the district grant of \$3,000 have been met.
As of this FINAL report, 97 loans have been issued, and the number of mother clients served stands at 69 (the grant obligation was 65). We continue to have a loan repayment rate of 100%.
