

MOBILE CLASSROOMS

Extended school project

Mission

We are an organization that promotes the economic and social development of women and their communities.

Vision

Participatory, united, healthy and self-sufficient communities, committed to their development.

GRAMEEN
DE LA FRONTERA

About us

- 20 years ago, **Marshall Saunders, past president of Coronado Rotary Club**, founded **Grameen de la Frontera** in Huatabampo, Sonora.
- **Grameen** is a microfinance organization and community development bank founded in Bangladesh. It makes small loans, known as microcredit to the impoverished without requiring collateral.
- **Grameen Bank** originated in 1976, in the work of Professor **Muhammad Yunus** at University of Chittagong, who launched a research project to study how to design a credit delivery system to provide banking services to the rural poor.
- In 2006, the bank and its founder, Muhammad Yunus, were jointly awarded the Nobel Peace Prize.
