Address: **Rua Soiti Nakata , 344 – Bairro Guiray \* Ivinhema MS CEP: 79740-000**

#### **Brief Project Description:**

Despite being a public entity, located in a city of 30,000 inhabitants in the interior of Mato Grosso do Sul does not have enough resources for the purchase of this ambulance vehicle equipped with mobile ICU equipment that allow the most appropriate treatment and prevention of diseases.

There is no ICU in any hospital in the city, and patients requiring ICU are transported in ordinary ambulances without ICU equipment for Dourados, about 130 km from Ivinhema.

So we will save many lives during this transport.
