

Mobilizing People with Disabilities in the Philippines

A District 5610 Rotary Global Grant Humanitarian & Vocational Training Project
Host Rotary Club - Tagbilaran, Philippines - District 3860

Overview

Improve the lives of individuals with disabilities in Bohol and the Manila Provinces of the Philippines by providing life changing wheelchairs, mobility devices, and accessible educational environments for those with disabilities.

Areas of Focus

Disease Prevention and Treatment
Basic Education and Literacy

Budget

Total - \$106,639 (Current Funding - \$37,050)
Amount Needed - \$69,589

Objectives

- 1) Provide wheelchairs and other mobility devices to the Philippines, assisted by the District 3860 Rotary Club.
- 2) Send a Vocational Training Team from the United States to assist in training Filipino teams in fitting and maintaining wheelchairs for recipients.
- 3) Complete a renovation of accessible classrooms and bathrooms for those with disabilities at Valencia Technical Vocational High School.
- 4) Continuously monitor and evaluate impact of wheelchairs and access to high school education for individuals with disabilities in the Philippines.
