

District Grant P-16 - Interim Report

Project Description

The death of 1,000 Marines and Sailors in our Community has had a tremendous impact among the families and particularly the children. This has impacted the educational performance, health and emotional stability. The purpose of the wall is to provide a place for the community to meet and grieve. The wall and its surroundings will provide a place for all families to come together, comfort each other and heal.

Areas of Focus: Peace and conflict prevention/resolution, Economic and community development

Activity Type: Community Development: General

Summary: Build a community memorial wall in Camp Pendleton, CA
