Grant Request

A grant for \$6000 would fully fund the Fish for Life trip on Sunday, September 10th 2017 and help support this year's program expansion plans.

How will the Mission Viejo Rotary be involved?

- MV Rotary can recruit family members or friends with a special needs child and / or special needs students from Esperanza School to go on the Sept 10th trip.
- Fish for Life T-Shirts with the MV Rotary Logo will be produced for all participants aboard the Sept 10th trip.
- Among the speakers during the opening ceremonies will be a representative ('s) from MV Rotary.
- The MV Rotary banner will be on display hanging from the stern of the Dana Pride as well as any other locations desired in the harbor on Sept 10th.
- MV Rotary will be acknowledged as the premier sponsor for Sept 10th.

Volunteer Opportunities

- A MV Rotary photographer and videographer volunteer can capture footage of the entire Sept 10th event for your website, social media, etc as an example of your community outreach.
- All members available can attend the opening ceremonies to greet guests, distribute T-Shirts, staff the check-in table, distribute appetizers and line the dock to welcome guests coming down the red carpet to board the boat.
- Interested members can go on the trip to volunteer as Fishing Team Leaders, Food Crew members or Ambassadors to just come experience the voyage!

Fish for Life will also be happy to attend the MV Rotary fundraiser early next year to open the event with red carpet introductions of Esperanza guests who attended the Sept 10th trip along with a few other Fish for Life kids who will warm the hearts of your attendees.

Let me know if you need any additional information prior to your meeting on Tuesday.

With gratitude,
Jim
