Rotary Club Naperville Downtown **District Grant #** P-1808

Project Title Scholarships for Community College

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.

The scholarship program supports the education of students looking to re-enter the workplace or to cope with the difficulty of raising a family while attending school. Club members administered the program, raised the funds, and worked with the community colleges in identifying the scholarship recipients.

Two scholarships are paid this year, one for a student attending the College of DuPage, and the other at Waubensee Community College.

2. How many Rotarians participated in the project?
All 23 of our club members participated in the fundraising aspect of the grant, donating to our giving fund. The Club President and Community Service Chair worked with the schools, and our Club Treasurer handled payments and financial record-keeping.
3. What did they do? Please give at least 2 examples.
See answer to #2.
4. How many non-Rotarians benefitted from this project?
There were two scholarship recipients this year.
5. What are the expected long-term community impacts of the project?
Long term, we hope that both the students and the communities benefit from their furthered education and ability to work in higher-paying jobs.
6. If a cooperating organization was involved, what was its role?
We worked with the foundations for each of the community colleges to identify the scholarship recipients and to ensure that the funds were used for tuition expenses.
7. How did you share the news of your project?
We publicize our Club’s charitable efforts through our Facebook page and in a local print publication, *Positively Naperville*.
