Project Title Scholarships _____

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
The Club provided 2 scholarships for college in the amount of \$750.00 each for a total of \$1500.00. We also gave a \$100.00 Scholarship to the Compassion Factory Art Gallery for a scholarship for a needy student for the summer program. This is a change from the original statement of 2 scholarships of \$800.00 each. We looked at a list of the applicants during one of our meetings and decided who the 2 winners should be. The two winners of the college scholarships were Jacob Garvey who will be attending Concordia University and Kylee Hernandez who will be attending Triton College. The scholarships for the college were given to the 2 students during the awards ceremony. The scholarship for the art gallery was sent to The Compassion Factory Art Gallery.
