Subject: Good Shepherd Manor COVID-19 Relief Fund

Hello! I hope you are all staying healthy during this unprecedented time in our history. As you know the health and safety of the men at Good Shepherd Manor have always been our top priority. As COVID-19 turned into an international pandemic, we took aggressive measures and preventative action to ensure the continued health and safety of not only the men who live here, but also to protect the staff who care for the men.

As you can imagine there has been a substantial increase in expenses not budgeted due to this pandemic and the future of our major fundraisers for the year are uncertain. To help offset these expenses, we have created a GSM COVID-19 Relief Fund. <https://www.justgiving.com/campaign/Goodshepherdmanorcovid19> We are very excited to share that this fundraising campaign includes a very generous match from the Coleman Foundation. EVERY DOLLAR donated up to \$25,000 will be matched by the Coleman Foundation from NOW until JUNE 1. If someone is not comfortable donating online or does not want to pay the processing fee (optional), checks can still be mailed. They will be reflected in the campaign and will be matched. We have the ability to add offline donations to the site.

As always we appreciate your support of our mission and we are hoping we can count on your donation as well as sharing this opportunity with your friends and families. ***Every single dollar counts and will be matched 1 for 1!*** Stay safe and healthy!

Erin Richey
