Rotary Club RC of Bradley Bourbonnais **District Grant #** 3304

Project Title COVID 19 Community Relief

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.

A check for \$1,000 was sent to Good Shepherd Manor, a facility for men with disabilities, in response for their request for help with materials to fight the Covid 19 virus .

Another check for \$1,000 was sent to our local Center of Hope to supplement food for the needy.

2. How many Rotarians participated in the project? Due to the virus, none.
3. What did they do? Please give at least 2 examples.
4. How many non-Rotarians benefitted from this project? 120 men and staff were protected at Good Shepherd. At this date, none of the men have been affected. Unknown number from the food pantry.
5. What are the expected long-term community impacts of the project? Hopefully we have helped to limit the spread of the virus to our disabled friends at Good Shepherd and to those who care for them.

Center of Hope food bank has an increase of people in need so we are sure our donation was helpful; on the other hand, future donations will be useful.

6. If a cooperating organization was involved, what was its role? The cooperating organizations were the agencies that used the monies to purchase essential items.
7. How did you share the news of your project? Donations shared with members of our club through our club newsletter as well as the people from both agencies. Also shared through social media Facebook.
