Rotary Club Oak Forest **District Grant #** 3314

Project Title High School Scholarships

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
We awarded four scholarships in the amount of \$1000. each
- How many Rotarians participated in the project? 6
- What did they do? Please give at least 2 examples.
Our scholarship chair ran the scholarship program where 16 high school seniors competed for one of three \$1000. Scholarships. The other five rotarians read the applications and rated them. We then narrowed the 16 applicants down to 10 and had them appear on a Zoom call where we asked them questions about Service Above Self and how they exemplified this. We were not able to choose only three winners and decided to give a fourth scholarship as we felt the person was deserving.
- How many non-Rotarians benefitted from this project? I think all 16 applicants benefited from the competition.
- What are the expected long-term community impacts of the project? Recognizing individuals for their service to the community inspires others to follow in their footsteps.
- If a cooperating organization was involved, what was its role?
- How did you share the news of your project? On our website and on Facebook.
