

Dear Dan,

Thank you, once again, on behalf of the "I Have a Dream" Foundation - ID for your interest in supporting our funding needs for student school supplies.

Rotary Club funds will support the critical funding needs to build a library for our new, Dream Scholar group of 1st graders. Reading materials are essential to support our literacy work with this young group of students. Our young students will use our libraries on site at both Alturas and Bellevue Elementary Schools, and additionally, our books will be available for families to take home to support literacy development in the home setting as well.

Below, please see a summary of library expenses, and attached, receipts for all items.

- Amazon book orders, total: \$938.71
- Scholastic Books orders, total: \$219.21

TOTAL: \$1,158.13

Again, we're so grateful for the consideration of The Rotary Club, and for your support, Dan. Thank you, and the Rotary Club of Hailey, for being Dream Makers.
Best regards,

Laura Rose-Lewis
