Grant Information (to be completed by Primary Contact Person or other authorized club member)

1. District Grant # (P-3362 :   Name of Club: Hailey Rotary
2. Name of District Grant: School Supplies
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less. The Hailey Rotary Club contacted the I Have a Dream Foundation (IHAD) to see how we could help with their mission to encourage disadvantaged students to achieve their full potential. Originally the idea was to help by providing regular school supplies (paper, pencils, notebooks, etc.). However, after talking with the IHAD folks the fact that they are going to start working with two new 1 st grade classes presented an opportunity to establish a longer term benefit to the students. The IHAD group consulted with an elementary school vice principal in the Blaine County School District for advice on what books would be appropriate. The creation of two age appropriate libraries to promote reading and curiosity will aid the education of the students. This grant will provide 110 books. The lending libraries will give the students a chance to take the books home and involve their family in the educational process. The Rotary club will have a long lasting influence in the schools by helping to create these libraries.
4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? The beneficiaries of this grant are the two first grade classes (Approx. 60 students) that I Have a Dream Fdn. (IHAD) will be working with to promote long term education and better life out-comes.
5. How many Rotarians participated in the project?   1   Briefly tell what did. I contacted the IHAD group after hearing a presentation by some of their older students. The Hailey Rotary Club board was supportive of looking for a way to help them with their mission. The grant provided funding to purchase 110 library books for the new 1st grade students.
6. If a cooperating organization(s) other than the beneficiary was involved, what was its role? The IHAD group identified age appropriate books and ordered them.
