Hi John,

Quick update regarding the Soup Kitchen and our small grants. I talked with Hannah Hill and the Soup Kitchen is heavily involved with another local organization that specifically tackles food needs as related to low income families. She will reach out to them and then loop me back into the conversation. She was very pleased that we thought of the Soup Kitchen during this difficult time and is eager to help our funds get to those families who are in most need.

I will immediately let you know when I have heard back from her.

Have a great week. See you Friday.

Sincerely,
