Rotary Club _____ Of Naperville After Dark _____ **District Grant #** _____ P-3402 _____

Project Title _____ 2020 Holiday Gift Giving _____

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
Coordinated effort between Naperville Rotary After Dark and Naperville School District 203 to provide holiday fights to underprivileged children within the school district. Due to COVID, we contributed funds to the district and they purchased gift cards.
- How many Rotarians participated in the project?
12 of our 20 members participated
- What did they do? Please give at least 2 examples.
All 12 Rotarians donated cash to this effort. Five members contributed \$100 or more.
- How many non-Rotarians benefitted from this project?
Every \$50 equates to a gift card for one child. None of the children are associated with Rotary. With the grant and the funds raised by members, we were able to purchase 30 \$50 gift cards.
- What are the expected long-term community impacts of the project?
Children in the district and the staff within the district associated with this project know that our club is supportive of local initiative to help children in our community who are not as privileged as others in the district. The gift cards distributed will help to purchase not only toys but many times we see purchases of winter clothing.
- If a cooperating organization was involved, what was its role?
District 203 coordinates the entire effort and once we provide them the funds, they purchase the gift cards and also distribute the cards.
- How did you share the news of your project?
We discussed and celebrated this project several times within our club, the President shared our success at the monthly Presidents meeting and we have this project listed as an effort that we are involved with on our club website.
