Thank you very much for the generous gift of \$750.00 you donated and the \$2,100 worth of food you donated paid for in 2020. This donation helped to support more than 300 families in the Cypress, Los Alamitos, and Fountain Valley School Districts plus associated high schools, who struggle with food insecurity over breaks from school. The concept of Summer Harvest is to supplement the family food budget with fresh fruit and vegetables because they are the most nutritious yet the most expensive part of the food budget. Each of our distributions includes fresh fruits and vegetables, staples like pasta, rice or cereals and easy recipes that utilize the items they were provided. Distributions may also include canned meats or eggs as deemed appropriate. Along with food assistance Summer Harvest also helps kids get ready for school by providing backpacks filled with supplies to start the year off on a positive note.

Summer Harvest is a 100% volunteer based organization and cannot succeed without the generous support of donors like you.

A handwritten signature in black ink, appearing to read "Amy Payne", is written over the printed name.
