Dear SJC Rotarians,

On behalf of our Board of Directors, I want to thank you for your most recent gift and even more so for your years of faithful and energetic support for the 11th Marines Ceremonial Garden. Your recent donation of \$2,500 in support of the 1st Battalion, 11th Marines wall emblem is greatly appreciated by 1/11 vets and will be a very visible and appreciated contribution to our goal of building a special and serene place for all 11th Marines veterans. As 1/11's most faithful supporters, this gift from the San Juan Capistrano Rotary Club is especially appropriate.

Our progress is a direct result of your continued generosity to our Marines, Sailors, Soldiers and their families and friends. Your gift will help us recognize and honor the regiment's combat fallen and also to celebrate the service of all Cannon Cockers. Thank you again for your commitment to help us make our dream a reality and for being a valued part of this important legacy.

Semper fidelis,
