

District Grant Report

Rotary Club: Garden Grove California

Project Title: Operation School Bell 2020-2021, P-3454

Progress Report Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
As of March 2021 This project was on hold and the plan was to return the Grant and apply for the Grant next year due to Pandemic. But thru good fortune for us in California we were able to actually complete this Grant in two weeks' time. There was a statement of intent made to the district that we were to return this Grant, but we were proven wrong during the next few weeks. As of May 12, 2021, Operation School Bell 2020-21 provided clothing, and Books to +300 GGUSD students referred by local schools, Boys and Girls Club of Garden Grove. The OSB started in September 2020 when the schools were to be opened. Due to COVID Pandemic they could not open until April 2021. They organize all the inventory for the weekly dressing of the referral children in a short time and not as many schools did referrals because no one knew of the opening. The Garden Grove Rotary Club moved quickly to helpin the organization of neede supply. The dressing takes place at the Assistance League of Garden Grove. The Children shop for what they like which makes for a happy outcome too.
