Dear Rotary Club Members,

I would like to thank you again for the wonderful things that you have done for us in the past year.

You provided awesome help for our garage sale—donating items, setting up, working at the sale, taking down/cleaning up, and monetary donations. We truly could not have done it without your help.

You again provided awesome help with taking down/boxing up summer clothing and sorting/hanging up winter clothing. That is a huge, time-consuming job, so your help was really appreciated.

And then you provided us with the generous \$1,800 grant to pay 6 months of utility bills. That freed up funds so that we could help our clients in ways that we previously haven't been able to. For example, we were able to buy a large space heater for a family whose furnace died so that they could be warm while they were waiting for their landlord to arrange for repairs.

And then you sponsored two families in our Christmas Tree of Love program. Your gifts made a huge difference for those families.

Your actions have helped us to positively impact a large number of families from southwest Nebraska.

Gratefully,

*Kathy Haas*
