Club members provided over 45 hours of community service to the FRC as well. The original grant total was \$1,600 with 40 hours of community service. The club felt it necessary to give more, both financially and physically. The total giving amount changed to \$2,370.26 with over 45 hours community service. The club paid \$500 for utility bills and chose to give \$570.26 toward the purchase of Christmas presents for those in need who use the FRC.

4. Provide a brief of lessons learned in implementing this grant and how this will improve future grant funded projects: (100 words or less)

The club learned how much the community relies on the Family Resource Center for assistance through food, clothing, supplies, emotional well-being, and special funding. We felt humbled to assist with such a needed and worthy cause. The club added to our pledge of \$1,600 and 40 hours of community service with an additional 5+ hours of community service and an additional \$1120.26 worth of monetary commitment. Learning how much support the FRC needs, opened our eyes to the needs of other local charities.
