Dear Presidents and Members,  
We hope you are all well and safe.  
Helping Lebanon together..... Lebanon will not die....

Since the tragic day of August the 4th 2020, that left  
Beirut, our capital bleeding and our people hungry.  
Together we can prove that the world can be a better place.  
Each and every little step counts, each and every little  
donation can be of big value to Hungry families.

Here in Lebanon, we are still devastated by the loss suffered by so many of us.  
It is with a very heavy heart that I am reaching out because Lebanon needs your help, assistance and generosity.  
This incredible city will always be cherished, and it is our duty to fight to get it back on its feet.  
Lebanon was in a dire state even before the terrible explosion which wrecked much of the capital, Beirut. The number of  
Corona patients is increasing tremendously. There is a big need for food and medicines  
the Rotary Clubs of Lebanon have been committed to helping Beirut heal from its carnage and bloodshed.

A special thanks to each and every one and every Rotary club which has and is helping Beirut to rise again.  
with generous Rotarians resembling Presidents and Members of both Clubs;  
Mission Gorge and San Diego South Bay

It was a pleasure hosting President and founder, Abraham Sultan.

After showing him the devastated area and visiting our Civil defence unit, President Abraham, on behalf of RC Mission  
Gorge generously donated 1500\$ to RC Tyre Europa; The same amount of donation from RC San Diego South Bay, with  
the amount of 3000\$ a lot could be done to Hungry devasted and shocked families; it will also go to providing the  
Lebanese Civil Defense the necessary equipments needed for rescue missions.  
In addition providing and securing around 300 affected families with foodboxes, mattresses, blankets, and pillows.  
Cooking materials and stoves  
We are extremely grateful for this generous and heartwarming donations and we hope you will continue on helping and  
providing support for RC clubs of Lebanon  
Rotary Club Tyre Europa would like to thank you for your care and continuous support.  
Please spread and share "Lebanon will not die" with the people and Rotary Clubs around you. So, we continue providing

Thank you and best Rotarian regards.  
Stay Safe, Stay Well

~Marissa
