Subject: Re: New History Entry for project P-3597

Flag Status: Flagged

Hi Dan,

This is to inform you that the community receiving the water is now Fort Portal district not Nakaseke district, because Nakaseke District already received a water well. Kindly make that change. The construction of the water well in Fort Portal district is set to begin in about a week; I will provide a report on the progress when construction begins.

Thank you,

Julius Sonko
