Dear Rotary Club of Hurst-Eules-Bedford,

Thank you so much for your generous donation of \$2,000, received on November 30, 2020, in support of our **HEB Reads!** summer reading initiative. We are so fortunate to have amazing support from our community friends that allow us to give every participant a brand-new book every year to encourage reading year-round.

With the current restrictions in place due to COVID-19, we will be making some changes to our annual kick-off party, held the first Saturday in May. This year, it will be a drive-thru event and will include, for the first time, a *One Community, One Read* book. This means that everyone who attends will get a copy of the same book and it will have activities for all ages to participate in over the summer. We are really excited about this new element, hoping to draw our community closer together and literally, get everyone on the same page!

We truly could not do what we do without the incredible support of our community and we are so thankful for the amazing on-going assistance that the Rotary Club of HEB provides our organization. We appreciate you so very much.

Sincerely,

*Kiera S. Elledge*
