Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? The water well ‘Borehole’ project was a successful one. It was a project that was sponsored through a District grant in collaboration with Corral De Tierra Rotary District 5230. It was a great project and the Olurefe community were excited and appreciated the great job that was done by Rotary.

When (dates) and where (city, state and country) did project activities take place?
The project officially started on September 20, 2021 in Ogbomoso, oyo state, Nigeria

Who were the beneficiaries? Olurefe community, Orire-Oje, Ogbomoso.

2. How many Rotarians participated in the project? Only one Rotarian

3. What did they do? Please give at least two examples. Rotarian Steve Babatunde was the project manager. Monitoring the project: Supervised the construction of the sky foldings, drilling of the well and laying of pipe that connected to the well tank.

4. How many non-Rotarians benefited from this project? 400 people

5. What are the expected long-term community impacts of the project? The sustainability of the project, to have adequate water.

6. If a cooperating organization was involved, what was its role? Peacebuilding and Human Development centre through Nova Drilling.
