

2021 – 2022 District Grant Final Report

5. What are the expected long-term community impacts of the project?

The street painting will be painted with street durable paint so the image will last for years. We also plan to touch up the design annually so it will continue to look sharp and fresh. Rotarians and non-Rotarians will participate in the annual street repainting and the whole community will be able to see it during the annual Montgomery Fest and Montgomery Fest parades. This will allow us to convey our commitment to the conservation and protection of natural resources and the advancement of ecological sustainability by fostering harmony between the Village of Montgomery and the environment.

6. If a cooperating organization was involved, what was its role?

N/A

7. How did you share the news of your project?

We shared the news of the project via social media, web page, and the Village will share the news in upcoming Village communications when the actual artwork has been painted on our street.
