### **Project Description**

---

1. Briefly describe the project outcomes. What was done (in 100 words or less)? This is a project that we take on every year with the Chandler and Gilbert Rotary Clubs. With assistance and permission from the Chandler Unified School District we get a dictionary in the hands of every 3rd grade student within the CUSD.

When (dates) and where (city, state and country) did project activities take place?

October – December of 2021 Sticker party and then distribution at every elementary school within CUSD

Who were the beneficiaries? Almost 9000 3rd grade students, their teachers and families.

2. How many Rotarians participated in the project? 40
3. What did they do? Please give at least two examples. We placed a Rotary sticker and a book mark in each book and then the Rotarians coordinated with the principals and teachers to deliver and in some cases distribute the books to the students.
4. How many non-Rotarians benefited from this project? 8750
5. What are the expected long-term community impacts of the project? For some of these students this is the first book that anyone has ever given them. They and their siblings will be able to use it for years to come. We have had graduating seniors do presentations to our club where they have brought the dictionary with them. Pretty compelling.

6. If a cooperating organization was involved, what was its role? The downtown Chandler and Gilbert Rotary clubs were involved from a financial aspect and contributed about \$1000 each. Also CUSD was very helpful by allowing us access to the classrooms to distribute.
